

Essex Branching Out Rolling Programme

November 2025 to June 2026

Course	Time	Date	Suggested Location
<p>Branching Out continues as a rolling programme and interest is definitely increasing as leaders new to these courses book their places on one or more of the Wood Badge modules. Even if leaders are undecided as to whether to opt into the Wood Badge all these modules are available to leaders.</p> <p>The importance of sharing this programme with your Group Lead Volunteers cannot be stressed enough and for them to share and encourage members of their leadership teams to continue with their learning after Growing Roots by completing the Wood Badge or accessing specific modules as they become available.</p> <p>The very last reminder that there is a meeting for all District Volunteer Development Leads this month on 22 November at 1st Writtle HQ, Chelmsford 10:00 to 16:00. Currently not all Districts are represented but it is hoped that in the next 2 weeks the other Districts will book a place on this important meeting.</p> <p>It was disappointing to have to defer the November Delivering Sessions on a Learning Experience until 2026. Perhaps a little early for District delivery of learning experiences but it will be back so Trainers please watch for its return and book your place on this Regional weekend.</p>
